Form 990, Part III, Line 1 - Organization Mission

The GO Project shapes the futures of New York City public school children by providing critical academic and social emotional support, starting in the early elementary years. GO provides year-round educational and family support services to children who are performing below grade level and equips them with the confidence and skills needed to succeed at school, at home and in life.

Form 990, Part III, Line 4a - Program Service Accomplishments

Recent achievements for the GO Project are listed below.

- Neighborhood Saturation: We served 720 students in Manhattan and Brooklyn.
- Summer Learning: GO students avoided the "summer slide" by either increasing or maintaining their proficiency in reading and math skills over a 5-week period.
- Accelerated School Year Learning: 74% of GO's youngest learners grew 4 reading levels through participation in a new weekday literacy intervention program.
- Social-Emotional Growth: Students, parents, teachers, and school administrators indicate that GO helps struggling students become more confident, learn to manage and control their behaviors, develop new relationships with students outside of their regular weekday schools, and build trusting relationships with the adults in their classrooms.
- Family Engagement: 87% of families participated in Parent Teacher Conferences during this program year.
