

VOLUNTEER WITH GO PROJECT!

ORGANIZE A GROUP SERVICE DAY

We need your time, talent and mentorship to support New York City public school students in grades K-8! Volunteers provide assistance in enrichment classrooms on Monday-Friday afternoons during the **summer (1:30PM - 5:00PM)** and in academic classrooms on **Saturday mornings during the school year (9:30AM - 12:00PM)**.

Academics focus on core subjects of math and reading, and enrichment activities include dance, art, computers, yoga, and other fun that contributes to the social-emotional growth of our young learners.
